

Little Doc VanLandingham Elected First President Of Co. On Cattle Auction

**B. Elliott Named On
Important Committee**

Organization

House Speaker Tom Beasley, of DePue Springs, last week named a special legislative committee to draft a new election law, which will be presented to the House of Representatives of the Legislature, likely to be called by Governor Caldwell.

B. Elliott, of Pahrakee, and Eric Brown, of DePue, are two of the members of the committee named to draft the proposed election law revision.

Wallace Williams To Receive Degree

Among the 372 graduates who

Many months of hard work by a committee from the Cattlemen's Association brought results last Monday night when more than 100 cattlemen formally organized a Cooperative Cattle Auction Market.

The purchase of feeders and the sale of calves and cattle to the market will be the first steps in reaching such a volume in the Glades now that some such steps are of prime importance to this vast area.

Those in the know estimate there are now pastures to be cared for 45,000 feeders annually.

Impressive ceremony September 4th from the University of Florida will be Wallace E. Williams. He entered the University in 1946 and was awarded a Bachelor of Arts in Physical education, health, athletic, and recreation degree. His mother, Mrs. Williams, will arrive Friday to attend the graduation exercises over the weekend.

More Electric Power
Extension
 The Glades Electric Co.-oper-

Moore Haven a rural electrification project, has been granted an additional \$80,000 for extension purposes, in Highland, Glades, Okeechobee and Hendry counties, or 43 miles. Ft. Bassinger will be one of the new locations to get electric service.

School Faculty

School Shop Work

The month of August is no longer "free time" for school teachers, for they are required to attend school in preparation for the school year. As a result, the monthly meeting of the Co-op will be held on Tuesday, August 14, at 7:30 p.m. at the Co-op building. The meeting will be held in the Co-op building, 1000 N. W. 10th St., Miami, Fla. 33136. The meeting will be held in the Co-op building, 1000 N. W. 10th St., Miami, Fla. 33136. The meeting will be held in the Co-op building, 1000 N. W. 10th St., Miami, Fla. 33136.

The three weeks prior to the opening of the school year are devoted to training work known as the "Work Shop" in school parlance. The high, elementary and kindergarten divisions

with a number of unified sessions, when addresses are made by prominent educators and

essions. The instructions obtained is considered equal to a term of summer school attendance, and is of a specific nature relating to the various grades of instruction.

Rebekah's Vacation Period End

Beile Rebekah Lodge, after a summer vacation, will resume regular session on September

AWARD \$3,350.
Bessie Johns, Lawrence Shuler, \$1,000; James Powe, \$1,100; T. Y. Creech, Jr., \$300; Virginia Thompson, \$200; Rosa Calhoun, \$250; K. M. Hilschock, \$250; Avery Bass, \$300 and Rosa Pott, \$380.

By John M. Gledhill

It seems as if the summer storm season is here with a small hurricane playing around in the Atlantic. The season started the same way last year with a small blow making up and then blowing it self out.

word to the officers where they could locate him and the guard.

Mrs. Damm parleyed with the man urging him to go to the Clewiston police to surrender, but this he did not want to do, and he refused to go.

"I was not going to let a 'pappy' type hurricane that entered the coast at Ft. Lauderdale. Even if the season should pull a repeat this year, the Glades region is better prepared for it. The government engineers have kept the gates in the

The outcome was that the message was sent to the camp, the officers came and picked up the guard and escaped convict.

camp. They were returned to the camp.

Mr. Truman, who declined to state his name, stated that he had been forced to flee in the break with the negro ~~people~~ nor had he willingly bound up the guard, but when he got opportunity he had made a run away from the fugitives, with the above narrated action.

Two of the escaped men to date have not been recaptured having last been traced down into the Davis section outside of Ft. Lathrop.

NATIONAL EDITORIAL ASSOCIATION

THOUSAND EXPECT
(Continued From Page 1)

General P. A. Ferigan, assistant chief of engineers for civil works, and who is in charge of the Water Control program, writes Ralph Bink, of RDB, that stress of other business, will prevent him from attending the big meeting. In his letter he stated, "Flood protection and water control in central and southern Florida is one of the most important projects under taken by the Government in recent years."

He also commended the RDB organization for the work it is doing for the section it serves, and the objectives back of the annual county picnic gathering, saying, "It is reassuring to hear of a meeting such as yours, whereby those affected by floods and by proposed works of improvement, are consulted, and given a picture of the benefits offered by the proposed improvements, and are also made aware of the responsibilities involved."

There will be a lot of representative men from all over Florida, who will be at the meeting, who are coming for no other purpose than to learn more about RDB and its work, and with an idea in view of adopting some similar plan for their own section.

No Florida organization has ever made the record that the RDB has made for Palm Beach County and the Everglades Drainage District.

From these of interests it can be seen to organize into one solid, co-operative working unit, which has and will continue to accomplish great things for the district.

Roy Ellis, entertainment chairman said there is going to be entertainment of every kind, a quarter horse racing, a billiard band, Fort Poph's highly popular colored street band, and an hour-long, ten-act vaudeville show, directed by Frank L. Mack, manager of the CBS musical staff in Chicago.

The show will follow the speakers of Governor Caldwell, Senators Pepper and Clegg, and George Goetz, nationally known official and speaker.

Mark listed the act as follows: The Smith Sisters, of Lake Worth will do an act emulating the Andrews Sisters. Carmen Montoya, West Palm Beach will appear as a gypsy violinist.

Katy Coffey, New York, will play the accordion and do some tap numbers.

Billed as a "Young Houdini," Clyde Bull, Lake Worth, will do a magic show. Dorothy McMoran, Lake Worth, will do a bit of twirling act.

Taken Green, West Palm

be held on the first Tuesday in every month.

George Scarborough went out fishing on the lake waters west of Torrey Island, Wednesday morning, and the prize of his catch was a whopping big bass which weighed 7 1/2 pounds.

BIOLOGISTS

(Continued From Page 1)

shores, possibly sewerage or industrial plants.

The remedy suggested was to dust the lake with copper sulfate from the air, or let Mother Nature take her course, which she is. All along the channel to the west shore, from the springs at the extreme south end to, and through the canal at the N. W. end, the lake is definitely clearing, a survey by plane indicated that 2-3 is clear and the east side is doing likewise.

Also the experts stated, the saffron hue had given protection and the algae food to the small bass, prey to every carnivorous fish, and when the water clears, bass fishing such as even the old times never dreamed of, will be back again. Since bass strike only at what they see, the yellowish tints prevented their

LEGAL NOTICES

NOTICE OF INTENTION TO REGISTER. Public notice is hereby given that the City of Belle Glade, Florida, is desiring to acquire the right of way for the construction of a new street, to be known as "New Street," in the City of Belle Glade, Florida, and for the purpose of acquiring the same, the City of Belle Glade, Florida, is desiring to acquire the same by eminent domain.

LOCAL CHAMBER

(Continued From Page 1)

He has plenty to do," Harry Barwood, president of the Chamber, said.

"Beginning immediately we will start our housing survey and we request all persons having rooms, houses and apartments for rent, to list them here at the Chamber and we will assist those persons seeking housing accommodations."

The fall schedule is a big one as we have a 1949 city directory to get out. We will need the full cooperation of the citizens of Belle Glade in this program. We earnestly urge that persons receiving communications from the Chamber and addresses to be entered in the directory, be given prompt attention.

Social Happenings

Mr. and Mrs. C. E. Davis and Mrs. Pearl Rogers will drive to Huntsville, Alabama and Columbus, Georgia to visit relatives over the Labor Day holidays.

Mr. and Mrs. Milton Barry and children will visit friends in Ocala this weekend.

Mrs. Sylvia Weiman and son David have returned from a summer spent in Montreal, Canada.

Mrs. R. V. Allison and daughter returned last week from a six weeks vacation trip to Ok-

lahoma City, Oklahoma and Kansas City, Mo.

Mr. and Mrs. Robert Miller have returned from a trip to Long Island, N. Y.

Miss Dorothy Kidder was the guest of Miss Lois Neller in Gainesville over the weekend.

Mrs. Clyde M. Williams had as a visitor last weekend, her daughter-in-law, Mrs. Wallace E. Williams of Gainesville. Mrs. Williams has completed her summer work on a master of arts degree and returned to Gainesville Sunday. Upon the graduation of Mr. Williams, they will make their home in Reddick, Fla., where they will become members of the Reddick High School faculty in Marion County. She will hold the

position of science and mathematics teacher, and he is to be the assistant coach.

Mr. and Mrs. Guy Wood, Jr., and sons are spending two months in Newark, N. Y., and will return here about November first.

Mr. and Mrs. C. W. McDonald and daughter Marie returned Tuesday from Gainesville where they accompanied their son Carroll to the University of Florida to enroll for his freshman year. Carroll will play his first football game with the Gators during their scheduled game with Miami University on November 19.

Mr. and Mrs. Jab Simmons and son Tommy moved into their new home on the Palm Beach Road on Tuesday.

Miss Faye Swanson has returned home after visiting relatives in Lafayette, Georgia for the past month. She was accompanied back by Miss Lucille Elton who was her guest for a week.

Mr. and Mrs. Earl Lindrose and daughter Ellen returned last week from Atlanta, Ga., where they visited her relatives.

Miss Beverly Lutz is leaving next week for Boulder, Colorado to enter her senior year at the University of Colorado.

Phillip Enlow, son of the Rev. Mr. L. E. Enlow, has returned to Deland after spending the summer here with his parents. He will serve as head basketball coach at the Deland High School this year.

FRIENDS INVITED TO ATTEND LOCAL WEDDING

All friends are invited to attend the wedding of Miss Peggy Rawls to George Wedgworth at the Community Methodist Church Saturday evening at 7 o'clock, and to the reception, which will be held immediately after the wedding home on the Palm Beach Road.

Mr. and Mrs. Henry Morales and son Robert, will leave on the 8th for Tampa where Mr. Morales is enrolling at Christian College to study drafting.

MUSICAL CONCERT TO BE SUNDAY EVENING

A Musical Concert will be presented at the Community Methodist Church Sunday evening, September 5, at 8 o'clock, under the direction of Mrs. Ruth West who is music director of the church and Donald Padgett who is president of the University of Wesleyan Foundation at the University of Florida.

The concert will be presented in the form of a musical skit and will include violin, vocal organ, and piano numbers with Miss West, Miss Sidney K. Smith, Jr., Miss Mary Eleanor Kidder, Milton Carpenter, and Mr. and Mrs. Donald Padgett participating. All music lovers in the Glades are invited to attend, and a free will offering will be taken for the Wesleyan Foundation at the University of Florida in Gainesville.

BETA SIGMA PHI MEETS AT SCOUT HUT

The regular bi-monthly meeting of the Beta Sigma Phi Sorority was held Thursday evening at the Girl Scout Hut with the president, Mrs. E. M. Lively presiding.

Plans were discussed for completing the interior decorating in the Scout Hut, and funds for additional work will be raised at a softball game between the Lions Club and Beta Sigma Phi to be held tonight at Memorial Field. Mrs. Eddie Jones reported that the Lions had accepted the challenge and outlined plans.

Mrs. Frank Anderson conducted the program on "Invita-

tion To Life" and a group discussion and study followed.

A "White Elephant" auction was held with Mrs. Tom Chapell serving as auctioneer, and Mrs. Nicky Paff and Mrs. O. G. McWhorter as collectors.

JONES-INGRAM WEDDING VOWS SPOKEN

The marriage of Mrs. Doris Jones to Zachery T. Ingram was solemnized on Sunday August 28th at 4:30 p. m. in the Ingram home in the Hollyway Subdivision, with the Rev. I. E. Enlow officiating.

Attending the couple were Mr. and Henry F. Morales, son-in-law and daughter of Mr. Ingram.

The bride wore a street length dress of aqua crepe with accessories of black, and a corsage of white carnations. Mrs. Morales chose pink crepe with white accessories and a matching corsage of carnations.

BUFFET DINNER FOR WEDDING PARTY

Mr. and Mrs. W. J. Rawls, Sr. entertained at their home Thursday evening with a buffet dinner for the members of the wedding party of their daughter, Miss Peggy Rawls and George Wedgworth.

The decorating theme in the dining room was an arrangement of roses and gladioli.

Also attending the dinner which was held following the wedding rehearsal at the church were out of town relatives and guests.

Birth Announcement

Mr. and Mrs. D. L. (Shorpy) Shiver announce the birth of a son, Michael Walker, at the Good Samaritan Hospital on August 25. She is the former Kim Walker of South Bay.

Saturday Night Elk Dances

Belle Glade lodge of Elks has a number of new candidates lined up for initiation, which ceremonies will be held in the very near future. With many members returning from summer absence attendance at the meetings are on the increase.

Chairman Ted Page, and his committee, have been authorized to arrange a program for a series of once a month Saturday night dances at the lodge hall.

Scouts Hut Repaired

According to Henry Earwood, chairman of the South Glades District of the Boy Scouts, work on the boy and girl scout huts has been completed. "I would like to thank the Elks, Lions, Lake Shore Electric, Glades Appliance and the Harry E. Ross Construction Company for their help and cooperation in making these repairs," Mr. Earwood stated.

"I want to thank Rev. L. F. Vanderwater and his volunteer workers for a job well done and also for his splendid cooperation and keen community interest," Mr. Earwood concluded.

Lions Hear Fine Report Of Convention From Delegate H. Glase

The week of September 12th, starts the perfect attendance campaign for the thousands of Lion's Clubs, and the meeting of the club, which is the 15th for the Belle Glade club, attempt will be made for 100 per cent attendance. The year attendance campaign will continue until April.

Herman Close, one of the local club delegates at the New York convention, presented to the club a most interesting report of that convention.

Coach "Doug" Levitt was introduced by his host Coach Cooke, and Henry Earwood introduced his guest William DeLoach, the new secretary of the Chamber of Commerce.

All arrangements were announced as being completed for the softball game at Memorial Field, this Friday night between the Lions Club and the Pheta Sigma Phi Sorority.

SCHOOL FACULTY Continued from page 1

The pre-school classes are provided under the new educational system, and while teachers at first looked upon the innovation with a dubious view, they now see the wisdom of the move, as the courses prepare them for better work, both for teacher and pupils, as well as aiding in advancing of future salary standings.

The courses were not all book learning but included many outside features which increased knowledge of local territory conditions and advantages, which might be applied to school work.

Nearly all the teachers in the Glades schools have been in attendance at the school shop sessions the past three weeks, and will report at their various stations on next Tuesday for classroom and department duties.

Thursday and Friday were observed in the county for the enrollment of school pupils and the giving out of text books and supplies, and the assignment of class work.

Business Men Home From Vacations

Mr. and Mrs. "Raney" Hotard, the former in season lined up with the PEO Railroad shipping and management, has returned from an extended visit in Mississippi and Louisiana. He did much traveling in those states and reports that he had great satisfaction of partaking of the fine foods served.

Mr. and Mrs. Herman Close and family who have been vacation visitors for the past five weeks in and around New York and with relatives in some of the southern states enroute home, arrived home last Saturday.

Brahma's Bring Big Price At Auction Sale

The first auction of Brahma cattle, by the owners, was held at the Clover Bar Ranch of Stockridge and Blackwell at Sarasota, on Monday, which was attended by hundreds of Florida cattlemen.

A herd of 19 registered cattle brought an average price of \$943. Brahma bull, Sand Martena, was bought by Fred House for \$1,500; and Blue Bonnet, a heifer, was secured by J. F. James, for \$1,075. The sale attendance proved that Florida cattlemen are much interested in the Brahma strain of cattle.

CLOTHING NEEDED FOR LOCAL SCHOOL CHILDREN

Led by St. Mary's Altar Society, church organizations of Belle Glade are requesting the public to leave at Sullivan's Pharmacy whatever wearing apparel they have on hand that can be used by school children or can be adapted for use.

Using visiting nurses and other welfare-minded persons as source of information, the ladies have a list of children who will not be able to attend school because they have no suitable clothes.

"Bundles for Belle Glade" will be handsoomely furnished.

Just: Auxiliary To Be Organized Here

A Junior American Legion Auxiliary is being organized under the sponsorship of Mrs. E. Allen and Mrs. Evelyn Blair. The first meeting will be held at the Legion Hall here, Thursday evening September 8th at 7:30, and all girls who are daughters or sisters of Legionnaires are invited to attend. The age limit is from birth to 18 years, and mothers are requested to accompany the younger girls.

CORN PROCESSORS Continued from page 1 that corn is a welcome addition to Glades farming and opens great possibilities in beef and pork production, as well as something to entice the feed mixing boys to establish plants in the Glades.

This symposium, or just plain old get together for a talkfest produced results by a free interchange of experience and ideas.

Business Houses Close On Labor Day

There will be little activity in Belle Glade on next Monday, Labor Day, and as a result business places will be closed on that holiday.

Many family, fishing and touring parties will be held, most of them going to spots where recreation events are being held.

Boynton will be the main attraction, with the county outing, while others will enjoy beach parties.

If Met 18 You May Join National Guard

If you are 17 and not yet 18½ you may join the National Guard and not interfere with your schooling or no economic life, according to Guard officials.

There is also a provision of Selective Service that makes it necessary that you "satisfactorily participate in scheduled drills and training periods," therefore merely joining the Guard won't let you out, you've got to work at it.

Training in the Guard is being put on a basis to secure proficiency for the men by the use of Reserve Officers.

Funeral Home Dies

Albert F. Hooper, who has resided at Pahokee for the past 15 years, engaged in farming, died in a West Palm Beach hospital on Thursday. He was unmarried and leaves no immediate family.

Funeral services were held at the Berry Funeral Home, Thursday, with Rev. C. T. Howard of the Methodist Church officiating. Burial was made at the Palm Beach Cemetery.

New Driver's License On Sale

According to Julius Harris, deputy under County Judge Richard P. Robbins, the 1945 driver's licenses went on sale Wednesday, September 1st at his office in the HERALD building on South Main Street in Belle Glade.

In order to obtain a new license a person must bring his 1944 license to turn in. The price of the license is the same as last year, \$1.25 for operators licenses and \$1.25 for chauffeurs licenses. Everyone is cautioned to renew their license as soon as possible since they must be renewed by October 1st. If the license is not renewed by that time, the applicant must stand the state test or pay a fine.

Last year many people waited until the last few days and were forced to stand in line for long hours. Even though over 4,000 licenses were sold this could have been avoided if everyone had come in early instead of waiting until the last few days.

Farmers or those employing a number of people may collect their employees' licenses and bring them in to be renewed if they wish to do so.

Teachers Ask For a Best Period

The Florida Classroom Teachers' Association through its executive committee, has requested the State Instructional Board to authorize the establishment of a 30 minute rest period for teachers each day.

HOSPITAL VISITED (Continued from page 1) and the fine work being accomplished at the Belle Glade hospital.

"What we are working toward now is the coordination hospital and community services, so that when a patient leaves the hospital, he or she will continue to receive care in the home way, and we will apply this service toward well persons and children, and see that they continue to be well."

In regard to the Belle Glade hospital Miss Woodville stated, "This hospital is working on appropriation provided by the State Health Department and the Federal Children's Bureau, so that it can continue its excellent services. Here we are also stressing the community maternal care program for mothers and children. This includes community and hospital coordination and clinics for healthy as well as sick children."

RISK FAMILY BACK (Continued from page 1) The trip was without car trouble, but in the edge of Arkansas, near West Memphis, escaped with what could have been a serious accident. Traveling along a black federal highway they came to a bridge which had a roof ridge supported from each side. As they topped the center ridge to go down the decline, they found two cars stalled, and only by quick application of the good brakes did they escape plowing into the group.

W. H. Boile, Idaho, Mr. Risk called upon C. A. Robbins, who is the governor of the state, they having been college classmates, and had not met since 1907. This visit was of most interesting nature for both of these men.

Coming through the wheat growing region they found the huge combines harvesting bumper crops of wheat, jammed in elevators and piled in high pyramids on the ground covered with water proof tarps. In the field a mammoth corn crop is ready for the harvest and stock for curing. Sleek looking cattle were to be found all over the prairie state which.

Mr. Risk stated that he did not know that Dick Townsend or Frank Anderson had moved to California, but in the oil section around Bakersfield, Cal., he found both of these men in service station business, with neon

PAHOKEE FAVORS Continued from page 1

The city has already secured a site on the Canal Point road for the erection of the proposed modern hospital building and soon as bonds are issued, which run for 25 years, sold and valuated, steps will be taken for the siting of bids for the construction of the new plant.

The Belle Glade and Pahokee hospitals have been operated by the Hospital board, composed of district representatives, and when the new institution becomes a reality the Glades will have two very modern and efficient hospitals.

The Belle Glade Hospital was built and opened several years ago by the Government, which later was transferred to the Hospital Association.

I am a Candidate for City Commissioner

I am not tied to any other person or group of Candidates. I am running independently because I feel that if elected as an independent Candidate, I can work with any hold over Commissioners and any newly elected Commissioners for the betterment of our City.

My long time residence among you and my record of performance both as a builder and a business man are my qualifications to hold this important office.

Your vote and help thru pre-election date of September 14th will be sincerely appreciated.

No Double Talk—Facts—Experience

1. — We don't need a city manager at PRESENT TIME.
- 1a. — We need five agreeable city commissioners. No nominees or personal prejudice.
2. — The commission should appoint — One commissioner Police Commissioner. One commissioner Mayor. One commissioner Municipal Judge.
- 2a. — Not one man the whole works.
3. — We need a good strong efficient police department that will police the City.
- 3a. — Not a skeleton force and an over-worked chief.
4. — We need increased revenue without further taxing the already heavy burdened taxpayer.
- 4a. — To build more streets, sidewalks and more public improvements. Better wages for the City employees.
5. — If you believe in this platform as I do after being one of your City Commissioners for the past two years, elect me by an overwhelming majority, and I will insist that the balance of the Commission help carry out this platform as this will be the platform of the majority of the people.

Scout Leaders Hold Meeting

Cub Scouts, Boy Scouts and Senior Scouts of the Gulf Stream Council have lots of fun and thrills in store for them during the Fall season. If the "Round-Up" Committee has its way.

An enthusiastic committee composed of Scout Leaders from the 10 Districts in the Gulf Stream Council met Wednesday night in Fort Pierce and mapped out plans for Scouting activities for the Fall and Winter, announced Mr. Tom Kirk who attended from this area.

The committee's plans call for rounding up and registering 9-year old boys into Cub Scouting, 12 years of age into Boy Scouting and 15 years of age into Senior Scouting program. Every District will hold camping programs, cook-outs, camping trips, wide games, street shows and similar Scouting activities to entertain and make the Scout program attractive to all boys. The Fall activities will be planned with a big Round-Up celebration in November. Parents will be invited to this big Round-Up program and entertained with Scout games activities. The main feature of the will be an impressive Inauguration Ceremony of all Cubes and Scouts.

The Gulf Stream Council is striving hard to win two awards being offered Councils in this region. The Smith-Richardson Award will be given at all councils making an increase in their Cubbing, Scouting and Senior Scouting. Al R. Nielsen, Chairman of the Florida Division, is also offering a special award to the Council having the greatest increase in boy membership. President Bauleen stated that the membership had increased 151 over the same time last year and he hoped each District

would work to earn the awards for growth in membership.

Council-wide activities planned at the Committee meeting include a Scoutmasters' outing to be held at Lake Osborne Camp, Saturday, September 18th, to which wives will be invited to attend. A Patrol Leader's conference will be held at the Camp, October 8th. A Cub-Pow Wow for Cubmasters and Den Mothers for October 16th. The annual meeting will be held on October 24th. A Sea Scout Cruise in the Atlantic to Miami for all Senior Scouts will take place October 30th.

Boys of Cub Scout, Boy Scout, and Senior Scout age are urged to join up immediately so that they can participate in the many fall activities to be enjoyed.

South Bay Entertains

Gives Fall Party

Mrs. L. L. Simmons entertained Friday evening at a farewell party complementing her son, Hilton Mott, and Rayford Smith who have enlisted in the U. S. Navy and are now awaiting orders to report to Jacksonville.

Games were provided for the entertainment of the young people. Home made ice cream was served to Doris and Verna Martin, John Ellison, Willie and Ruth Warren, Virginia Davis, Margene Mathewson, Fannie Ratley, Bernice Williams, Marlene Walker, Donna Faye Walker, Harold Selinger, Russell Highower, Rayford Smith, Earl Dwyer, Hilton Mott, Rev. and Mrs. Oswald, Mr. and Mrs. M. C. Garrett, Louise, Helen, Paul, Cornelia and Van Crosby.

OBSERVATIONS

(Continued from page 1)
the glades has not seen for the past two years.

Starting September 7th school will be in full swing, with all pupils being in school on that day. According to Principal P. O. Hobson, a very large school is a very good chance of getting that school will be more crowded this year than last.

If everything goes well there is a very good chance of getting the proposed new high school started by April or May of next year. Since the school board decided last May financing of the new building will be handled on a pay-as-you-go plan.

The "Old Judge" has been, for the last two weeks, spending his vacation at his cottage in St. Cloud, Fla. We know he has enjoyed these few days off from the regular grind and if you have noticed him sitting on the canal bank with his pole and line pulling in catfish it is because he has been doing the same at St. Cloud. "Welcome back," Judge.

From all indications, the local Legion Post will provide a good time on Armistice Day, November 11th, with a dance. An orchestra will furnish the music and prizes will be given away.

While fishing last Wednesday night, the residents in the afternoon, Harold Rabin and his party, made good luck while partying in Pelican Bay, just on the north of Krans, near the 31st pound and one 5 pound bass was taken by Mr. Rabin in the deep in the cove of the bay.

Reports also have it that the bus are biting at Observation Island near Cleverton. Bass are being taken from the ribbon grass and pepper grass beds, reportedly in limit numbers.

The Belle Glade Alumni Club of the University of Florida gave Carroll McDonald a send off breakfast last Thursday morning.

At this meeting a resolution was presented for action and it was duly adopted. The resolution read in part as follows: "Now therefore be it resolved by the University of Florida Alumni Club of Belle Glade that the State Alumni Association of the University of Florida take a more active part and interest in the development of a winning football team, and that the State Alumni Association be respectfully urged to set up a major athletic organization modeled along the lines of the alumni athletic programs of other Southern State Universities prominent in the football world, and that the State Alumni Association devise and develop a permanent program of interesting big industry in the state of Florida, which has benefited to a considerable degree from the research and other contributions from the University of Florida. In the development of a winning football team at the University of Florida.

A copy of this resolution was sent to the various clubs around the state by the local organization asking their support in the drive for a better athletic program.

A copy of this action was also sent to the Dean of Physical Education at the Florida school.

The Southern Bell Telephone Company has the honor of constructing an all red brick building in the city limits of Belle Glade. The new structure will house a complete new dial system for the Belle Glade area that is scheduled to be in operation by the first of the year. An underground cable is being laid from West Palm Beach and accommodations for the cable have already been laid in the city.

Local roads and streets here in the city are in bad need of repair due to the summer rains. The west half of Ave. A is in a deplorable condition and will probably need a full resurfacing job.

Plans for the county wide Labor Day Barbecue are shaping up and 20,000 guests are expected to attend. Well, the vacation period for the "Old Judge" is over, and now it is back to the newspaper grind for another year. Play and rest combined made a very pleasant release from customary duties. Attended social functions in St. Cloud, visited among friends galore, attended lodge sessions, and of course fished down on Cypress lake and other locations. Fishing was not so hot, but we got sufficient for the pan meals on the lake shore. Those fish just passed by those fat prison farm and six mile bass worms, which I tried to feed them, guess they must have deemed them contaminated. Up at Coleman I located a spring fed stream, customarily an ideal fishing spot, but it being in a flood stage no successful catching

was recorded. Did strike the "old swimming hole" where 10 or more young people of the vicinity were surely enjoying themselves to the limit.

I have seen ice gorges break in the streams of Ohio and find down stream, which is an unusual sight, but I saw something new down on Cypress creek, and that was the breaking up of a hyacinth jam. As I sat under the cypress trees, noticed the water rising and heard a noise back of me. Then it was time for the old judge to get a handle and get himself for safety and I just made it. More than two miles of hyacinths moved down the stream into the lake at a rate faster than a man could run. Soon along the canal bank there appeared many snakes, which was another motive why fishing was not a safe sport at that particular spot. Saw a big possum comfortable lodged on one of the trees of debris apparently enjoying the hot ride.

Cypress lake is one of the Kissimmee river valley lakes, a beautiful body of water 8x10 miles in dimension, which can kick up in a storm in a menacing manner. Lakes up in the upper Kissimmee valley are filling with water which in time will reach the big lake, raising its level considerably.

Traveling the highway route from St. Cloud to Kissimmee, Orlando, Mt. Dora, Leesburg, Colman, Bushnell, Dade City, Sebring, Moore Haven and home, notice extensive building projects completed or in progress, mostly of cement block construction. In the past two years St. Cloud has had 110 new residences and several business blocks have been erected. Orlando suburbs are reaching out in every direction with homes and commercial enterprises. Dade City and Zephyrhills do not look like the same places of ten years ago. In Sumpter county farmers already have their land prepared and some planting done of the type of pro-

duce they raise. Pastures look good and are well stocked with cattle. No appearance of poverty all along the long trek.

VETERANS NEWS

Continued From Page One
whereas a year ago, the June figures were nearly 58-thousand. Home Loans in Majority

From the beginning of the G-I loan program through June 25th, a total of one million, 384 thousand had been approved for guaranty or insurance. Of this number, some 88-thousand applications were for business loans, and another 46-thousand were for farm loans. Home loans totaled well over one million. These statistics show that the G-I loan provision has been worth a lot to thousands of veterans. It is good to know that this benefit does not expire until July 25, 1937. . . . ten years from the official end of the war. Take time in arranging for a G-I loan and use a lot of forethought in making a bid for a home or a business venture. Loans made unwisely mean the loss of a wonderful opportunity for a home or business that can never be recovered.

Education Aid Training

Local veterans who plan on attending their favorite school or university next term under the G-I Bill should make immediate arrangements for a certificate of eligibility through the G-I loan and use a lot of forethought in making a bid for a home or a business venture. Loans made unwisely mean the loss of a wonderful opportunity for a home or business that can never be recovered.

Hospitalization and Treatment

During May, 1948 more than 44-thousand veterans were admitted as patients to VA and non-VA hospitals. If you are a veteran and think you require hospitalization, consult the VA and your service officer before you make any arrangements. It

might be possible for the VA to hospitalize you and give you excellent treatment, at no personal expense. Another thing . . . if you have some injury or disease resulting from your wartime service and feel in need of treatment, it can be possibly arranged through your home town physician, once your disability is established as service incurred with VA. Above all, if you had a serious injury or illness while in the service . . . file a claim immediately with the VA thru your veterans service officer. Dental Out-Patient Care to Veterans

Many wartime fillings and replaced teeth are beginning to fall out, and the veteran is wondering what to do. Uncle Sam extracted a lot of teeth and filled a great many more, so it may be possible for you to get some of the work done at VA's expense. One thing for sure it won't hurt to file a claim for dental work through VA, for they've been taking care of a great many dental claims.

VA Hospital Service Continues

Still following a practice of giving the veteran every opportunity for full information, the VA sends a representative into for off communities each week to render competent service to veterans. This area is served by the VA office located in West Palm Beach and the schedule is shown below. Visit the VA representative and give yourself needless expense and travel.

Delray Beach, 2 to 4:30 each Monday at the Youth Center.

Lake Worth, 2 to 4:30 each Tuesday at the City Hall.

Pahokee, 9 to 11 each Wednesday at the City Hall.

Belle Glade, 2 to 3:30 each Wednesday in the Sanders Building.

Clewiston, 8 to 12 each Thursday at the Union Hall Building.

LaBelle, 1 to 2:30 each Thursday in the Court House.

If there is a personal problem and you are unable to see the VA representative, you may receive information and apply by writing to Veterans Administration, 7122 Conant Building, Ft. West Palm Beach.

HURRICANE NOTICE

We have been advised by our insurance companies that they will not accept windstorm insurance after public notice by the weather bureau that a storm is being formed in the South Atlantic, Gulf of Mexico or Caribbean areas. In the past they would accept storm insurance up until storm warnings were posted for this immediate area.

If you do not have storm insurance and feel that you should have it, we suggest you call us NOW!

CAN YOU STOP ON A DIME?

Most cars today are old and war-weary. Their average age is eight years. They need more attention—more repairs—and more adjustments for safe driving.

Can you be sure your car will stop at a dangerous intersection, or remain in control down a steep hill? Are your brakes efficiently adjusted for quick emergency stops? Don't wait for a crash to find out. Make periodic examinations of your safety equipment. Check brakes, steering gear, wheel alignment and lights.

You are at the mercy of a ton of fast moving metal. At 40 miles per hour it requires 128 feet for a safe normal stop from the time your brain tells your foot to step on the brake.

Remember—it's your car and maybe your life, or the lives of others at stake.

Before you START be sure you can STOP—even on a dime.

Mr. Pedestrian—

CROSS AT CROSSINGS

WAIT—CROSS WITH LIGHT

DON'T STEP OUT FROM BEHIND PARKED CARS

ON HIGHWAYS ALWAYS

WALK FACING TRAFFIC
